❖ General Check Up & Maintenance

Package 1	Package 2	Package 3	Package 4	Package 5	Package 6
➤ Throttle body cleaning ➤ Spark plugs change/cleaning ➤ MAP sensor cleaning ➤ MAF sensor cleaning ➤ Scanning for DTC codes ➤ Throttle reset	➤ Throttle body cleaning ➤ Spark plugs change/cleaning ➤ MAP sensor cleaning ➤ MAF sensor cleaning ➤ EGR service ➤ PCV service ➤ Intake manifold service ➤ Scanning for DTC codes ➤ Throttle reset	➤ Throttle body cleaning ➤ Spark plugs change/cleaning ➤ MAP sensor cleaning ➤ MAF sensor cleaning ➤ EGR service ➤ PCV service ➤ Intake manifold service ➤ Injector's cleaning ➤ Change of injectors O rings ➤ Scanning for DTC codes ➤ Throttle reset	➤ Throttle body cleaning ➤ Spark plugs change/cleaning ➤ MAP sensor cleaning ➤ MAF sensor cleaning ➤ EGR service ➤ PCV service ➤ Intake manifold service ➤ Injector's cleaning ➤ Change of injectors O rings ➤ Catalytic Converter service ➤ Upstream O2 sensor cleaning ➤ Downstream O2 sensor cleaning ➤ Scanning for DTC codes ➤ Throttle reset	➤ Throttle body cleaning ➤ Spark plugs change/cleaning ➤ MAP sensor cleaning ➤ MAF sensor cleaning ➤ EGR service ➤ PCV service ➤ Intake manifold service ➤ Injector's cleaning ➤ Change of injectors O rings ➤ Catalytic Converter service ➤ Upstream O2 sensor cleaning ➤ Downstream O2 sensor cleaning ➤ Fuel filter cleaning/change. ➤ Fuel pump & strainer change/service. ➤ Scanning for DTC codes ➤ Throttle reset	➤ Throttle body cleaning ➤ Spark plugs change/cleaning ➤ MAP sensor cleaning ➤ MAF sensor cleaning ➤ EGR service ➤ PCV service ➤ Intake manifold service ➤ Injector's cleaning ➤ Change of injectors O rings ➤ Catalytic Converter service ➤ Upstream O2 sensor cleaning ➤ Downstream O2 sensor cleaning ➤ Fuel filter cleaning/change. ➤ Fuel pump & strainer change/service. ➤ Hybrid Battery blower service. ➤ Hybrid battery filter cleaning. ➤ Scanning for DTC codes
Service Charges: Rs. 1,500/-	Service Charges: Rs. 3,000/-	Service Charges: Rs. 4,000/-	Service Charges: Rs. 5,500/-	Service Charges: Rs. 7,000/-	Service Charges: Rs. 8,500/-

Disclaimer! Vroom Auto Care & Lubes LLP will not be responsible for of damage of any components and reset of A/V systems.

❖ Brake Servicing:

Package 1 ➤ Cleaning/Change of brake pads/shoes with lithium-based grease and air bleeding Service Charges: Rs. 250/- per wheel	Package 2 ➤ Cleaning/Change of brake with air bleeding with application of specialized lubricants and anti-seize compounds. Service Charges: Rs. 500/- per wheel	Package 3 ➤ Cleaning/Change of brake with air bleeding with application of specialized lubricants and anti-seize compounds and flush of brake fluid lines. Service Charges: Rs. 700/- per wheel
---	--	---

*In case of SUV’s and Light Trucks **Rs. 200** excesses will be charged per wheel.

- Brake Master Cylinder Change including bench bleeding: **Rs. 1,500/-**
- Brake Booster Change (with or without Master Cylinder): **Rs. 2,500/-**
- ABS Actuator change including air bleeding and calibration: **Rs. 7,000/-**
- Slave cylinder change per wheel including air bleeding: **Rs. 500/-**

❖ Transmission Fluid Change:

Manual Transmission	A/T Conventional		A/T CVT		Dual Clutch Transmission	
	Partial Flush	Full Flush	Partial Flush	Full Flush	Partial Flush	Full Flush
	Includes cleaning/change of strainer/filter and change of transmission fluid.	Includes cleaning/change of strainer/filter and change of transmission fluid.	Includes cleaning/change of strainer/filter and change of transmission fluid.	Includes cleaning/change of strainer/filter and change of transmission fluid.	Includes cleaning/change of strainer/filter and change of transmission fluid.	Includes cleaning/change of strainer/filter and change of transmission fluid.
		Full fluid flush.	Reset/ Pressure Sensors Calibration	Full fluid flush.	Reset/ Pressure Sensors Calibration	Dual Clutch actuator cleaning and flush Full fluid flush.
				Reset/ Pressure Sensors Calibration		Reset/ Pressure Sensors Calibration
Service Charges Rs. 750/-	Service Charges Rs. 1,500/-	Service Charges Rs. 3,000/-	Service Charges Rs. 2,500/-	Service Charges Rs. 4,000/-	Service Charges Rs. 3,000/-	Service Charges Rs. 5,000/-

❖ Anti-Freeze/ Coolant Service:

Includes draining & refilling of Anti-freeze from radiator, lines and heater core and removal of air packets/trapped air with service of coolant temperature sensor.

Rs. 1,500/-

❖ Hybrid Inverter Anti-Freeze/ Coolant Service:

Rs. 1,500/-

❖ Suspension:

Full suspension of light vehicles	Front Rs. 6,000/- Rear Rs. 5,000/-
Full suspension of SUV's and light trucks	Front Rs. 10,000/- Rear Rs. 8,000/-

❖ Engine Overhaul

Three Cylinder Engines	Four Cylinder Engines	In-Line/V6 Cylinder Engines	V8 Engines
Rs. 15,000/-	Rs. 20,000/-	Rs. 30,000/-	Rs. 40,000/-

Note: Above are service charges including assembly and disassembly of engine from vehicle and do not include machine shop, parts or any other charges.

❖ Hybrid Battery Servicing

1. Rs. 3,000/-	2. Rs. 4,000/-	3. Rs. 6,000/-
Includes removal and installation of Hybrid Battery Pack, dusting off and corrosion removal.	Includes removal and installation of Hybrid Battery Pack, dusting off and corrosion removal and battery cells if required. Note: Battery cells price not included.	Includes removal and installation of Hybrid Battery Pack, individual cleaning of all cells, corrosion removal, battery cells replacement (if required), load testing, re-shuffling of cells as per voltage. Note: Battery cells price not included.
